

"ACHRAUT" WHO ARE WE?

We are citizens who have contributed to the country – each in his own way – without expecting any material reward in return. Our reward will be success in improving the representation of our citizens in government and in-so-doing creating a better life for ourselves and for our children.

**The leader of the Achrayut party is:
Dr. Yaacov Chisdai, Col. (res.)**

Dr. Chisdai, a lawyer, historian, and publicist is the author of several books including: Truth in the Shadow of War (1978), With a Pen of Iron (1982), and On the Threshold of the Jubilee (1998). Dr. Chisdai, a battalion commander, served in the Six-Day war and the Yom Kippur war and was wounded in both. Dr. Chisdai is a recipient of the medal of courage, was appointed military investigator by the Agranat Commission, and was appointed commander of the "IDF Officers Training School." The list of candidates for the Knesset includes secular and religious, men and women, native born and immigrants all of whom are interested in changing the system of representation for a better way of life. The common denominator is concern for the future of Israel, disappointment with the present system of government, and the realization that:

**FUNDAMENTAL CHANGE CAN BE ACHIEVED
IF WE ARE WILLING TO STAND UP AND
FIGHT**
